**➡** Graphic Changes for Product Cases

As information, graphic changes on all RJR 6M and 12M product cases are being phased in over the next few months. The changes will make our cases easier to read as per recommendations from our customers. They also facilitate in-line case printing in the manufacturing process which brings RJR in conformance with the industry standard.

## ROU DETAIL

→ Wholesale Partners Data Submissions

In preparation for final SOM results determination for your Direct Accounts participating in Plan "A", please ensure your customers are aware that all data for the program period January - June, 1996 must be received by IR no later than July 22, 1996.

In order to qualify for Category II & III the Account must have a minimum of 22 weeks of data submitted and not in "exception" status. Additionally, to qualify for payment of 3¢ per carton on Category I, April 1 - June 30, 1996, the Account must have a minimum of 10 weeks of data submitted and not in "exception" status.

To verify the number of weeks of data a Plan "A" customer has submitted, access the AIM Tracking System and enter function T20. Enter the ship-to location of the Account and review the Account's history of data submissions. This may include missing weeks, late submissions, and exceptions in the data that needs to be rectified.

Until the end of the current program payment approval process, function T20 will continue to provide the capability for you to rectify any week(s) that are flagged with a "Y" exception. Simply tab down to the "Y" flag and use the spacebar to remove the exception, then press "Enter" and type in the reason why the exception was removed.

Administrative procedures for program end payments to Partners Plan "A" and Plan "B" participants will be forthcoming in July 1996.

## Corporate Express - Office Supplies

If you have not received an office supply catalog from Corporate Express, please contact Bruce Phillips, extension #6019. Since the revised contract to purchase office supplies through Corporate Express will not be finalized until July 1, 1996 it would be helpful if you would review the attached office supplies price list and compare with items you are currently purchasing and forward information to Bruce Phillips, Purchasing Department, via e-mail or voicemail. In addition, please advise of any large yearly dollar items that you repeatedly buy since paper prices are rising again.
